FOR IMMEDIATE RELEASE

Clearwater District Cancels May Election—Candidates Unopposed

The filing period for Clearwater Underground Water Conservation District candidates for Precincts 1 and 3 closed March 10, 2008 with the two incumbent directors filing unopposed. At Clearwater's March 18, 2008 Board meeting, the two candidates, Leland Gersbach (Precinct 1) and Wallace Biskup (Precinct 3), were declared as unopposed and the May 10, 2008 election was cancelled. Clearwater Board President Horace Grace commented "It is a pleasure to work with Directors Gersbach and Biskup for another term. They are an asset to this Board and are very conscientious about protecting our groundwater resources and maintaining financial accountability."

There are five Clearwater Directors, each serving a four year term. The terms are staggered with Precincts 1 and 3 up for election this year, and Precincts 2, 4 and the At-Large position up for election in 2010. Clearwater is responsible for protecting and managing the groundwater resources of Bell County. Groundwater resources in this area include the Edwards BFZ and Trinity aquifers. Contact Clearwater at 254-933-0120 for additional information or visit the Clearwater web site at www.clearwaterdistrict.org.
